- Great direction already!
- Make a separate page for the complicated Chinese character “Biang” (put that in dishes section)
- culture/history section
    - Include info
- Shaanxi cuisine larger header, should stand out more
- Interactive expansive (each region as buttons/links)
- Color palette: lighter red color, shown in prototype 1
- Prefer Cleaner format than prototype 2
- Put little cartoon guys in prototype 1
- Stick with vertical nav direction
- Add more transparent cutout images (maybe one on top of the other with dishes section)
- Stick with Sans-serif
